

## Grade Three Resource Pack

### Week 2

Dear Parents / Guardians,

We hope that you found the Week One Resource Pack helpful and user friendly. Thank you for the positive responses that we have received.

Please help your child complete the following activities. Children need to complete these activities in their Homework Book. Should he/she not have his/her Homework Book at home, please complete all activities on lined paper, and keep all work in a plastic sleeve or folder. Remind your child to write a date and heading for each activity, and to rule off once he/she has completed the work for the day. All work must be handed in when learners return to school. Learners need to work neatly and must take pride in their work.

Please ensure that your child spends at least **15 minutes** per day **reading** (English and Afrikaans), **practising spelling** (English and Afrikaans) as well as **counting**. If you are struggling to find material for your child to read; you can access short stories in any South African language using the following links:

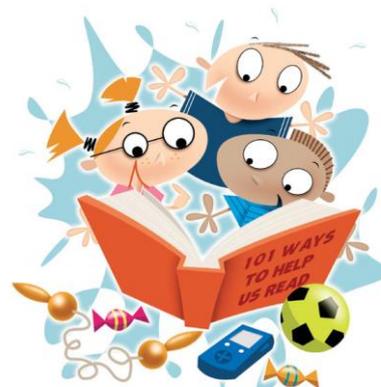

<https://nalibali.org/news-blog/literacy-issues/south-african-stories-south-african-youth#>

<https://nalibali.org/story-resources/multilingual-stories>

Please do not hesitate to contact your child's teacher should you require any assistance. The best method of communication, at this point, would be to email your child's teacher directly.

Regards,

Grade Three Teachers
